

You are a part of
our growing CDA
community

Take an important step in your dental career by joining the Certified Dental Assistants of BC. CDABC connects you with practicing dental assistants and provides you with the information and resources you need to get your career off to a great start. You'll feel supported and confident every step of the way.

Student membership runs for 12 months from your join date.

For only \$30 a year, student members receive access to the following:

Employment Resources

- Career opportunities updated daily online
- Salary and employment research, providing you with all the information you need about typical employment conditions in BC
- Post your availability for work on a secure site viewed by dentists
- Employment law articles on subjects such as overtime, the right to accommodation and severance of employment – be aware of your rights before embarking on your first CDA job
- Forum to connect with other CDAs and get the answers to your essential questions.

Continuing Education

- Once you graduate, upgrade to Active Membership and take CDABC online CE courses – you'll receive 12 'tokens' to spend on these each year
- Attend our monthly teleseminar events from the comfort of your own home and keep up-to-date on the latest developments in the profession.

Member Services and Products

- Malpractice insurance for CDAs: get affordable coverage through CDABC
- Nametag that identifies you as a certified dental assistant

Professional Liability Insurance

- As a professional in the dental industry, there is always the possibility of a malpractice claim or lawsuit. Practice with confidence and security with professional liability insurance. One year of coverage with the CDABC is \$26 for Active and Student Members.

We believe in a strong CDA community in British Columbia. With strong leadership, member advocacy, information resources, and professional development, CDABC is on a mission to elevate the certified dental assisting profession through communication, collaboration and positive change.

PROFESSIONAL ASSOCIATIONS

1. What is the purpose of professional associations?

2. What is the purpose of regulatory bodies?

3. What is CDABC? (regulatory body / association)

4. What are two behind-the-scenes activities that CDABC does?

i.

ii.

5. What are three services, benefits, or products offered by CDABC?
